### Di'Gay Project DGP

Since 2014 President of DGP, association based in Rome that fights for the human and civil rights of LGBTQI people and against any form of discrimination.

Women are called *The other half of the sky*. My docu-films tell about "other" women, those who love women. Therefore the title: *The other OTHER half of the sky*. A journey into the lesbian world.

My next project: to continue the fight for civil rights and sexual liberation with a film with interviews of older LGBTQI who, while far from the spotlight, made themselves visible, breaking the wall of fear.
